Financial Support

- Your financial support will help us reach the many children who are in need of our quality mentoring services. There are many ways for corporations, foundations and individuals to lend financial support:
 - **Monetary Contributions:** One-time Gift, Monthly Giving or a Tribute Gift
 - **Annual Fund, Auerbach Fund, Metzger/Woycik Endowment Fund**
 - **Scholarship Program**
 - **Holiday for Kids' Sake**
 - **Sponsor-A-Match**
 - **Matching Gifts**
 - **Stocks & Securities:** Start helping kids profit! Many donors are now making gifts in the form of stocks, bonds and mutual funds.
 - **Foundation & Corporate Giving:** By giving to Big Brothers Big Sisters of Long Island, foundations and corporations benefit the community's most important asset - - its children.
 - **Planned Giving:** Start putting your trust in BBBSLI - - literally! Making BBBSLI a part of your trust, bequest or endowment can start many years of giving. A planned gift to BBBSLI ensures the continuation of our quality mentoring programs and creates your own legacy of support.
