# LETTER FROM TOURNAMENT CHAIRMAN

*Dear Anglers,*

As offshore Tournament fisherman, we all understand challenges, and no doubt over the past 2 years we have encountered many. But as any successful tournament fisherman knows, preparedness, perseverance, and the ability to stay focused help overcome the challenges.

I am proud that despite all the “Stormy seas” we have encountered, we are still focused on the spirit of sportsmanlike competition and the importance of providing a better quality of life for children and families in our community, most in need.

We are very excitedly preparing for the 2022 Hamptons Offshore Invitational to benefit Big Brothers Big Sisters of Long Island. Freshening up our tournament with a collaboration between Oakland’s Marina and Prime Marina in addition to building on a successful synergy with White Water Marine. We hope you will join us as a competition boat, a sponsor or both. Let’s work together to celebrate our sport, our resources, and the spirit of mentoring children for a brighter future.

Please review the enclosed information, and as always, please feel free to reach out to me if you have any questions.

Sincerely yours,

*Capt. Scott Horowitz*

Scott M. Horowitz
